Pre-Anesthetic Procedures Guidelines

Prior to your pet's visit, we recommend the following:

- **Complete your Pre-Anesthetic Consent Form.**
- Rest your pet for a few days.
- No food, treats, or rawhides after 8pm the night before.
- Water should remain available at all times.

The day of your pet's procedure:

- Check in at your pre-scheduled time. (Please allow at least 15-20 minutes for the check-in and exam)
- **Hand in your completed Pre-Anesthetic Consent Form.**
- The doctor or surgery technician will perform a pre-anesthetic physical exam for your pet.
- Surgical procedures are performed in the afternoon, starting at 1:15pm-5:00pm.

Standards of Care & Estimates

- The surgery technician will go over your pet's procedure, options for care, and estimate.
- Your pet's procedure may include any of the following: a pre-anesthetic exam, a safety screening blood analysis, surgical prep & sterile scrub, sterile surgery pack, ECG heart monitor, fluid therapy, laser surgery, hospitalization overnight, daily care & monitoring, pain control medication before and after the procedure, anesthesia, an injection of antibiotics, toe nail trim, and suture removal.

Payment:

- Payment is due, in full, at the time your pet is released to go home.
- We accept Visa, Master Card, Discover, Cash, and Checks.

For questions, please call our office at 781-3466.

We look forward to seeing you, and caring for your pet!
